Memorandum

To: Liaison Officers

From: Walter Zeron, Director of Communications

Date: September 30, 2021

Re: Phased Employer Transition Plan

The new Public Employees' Retirement Information System (PERIS) is underway with requirements gathering for the first implementation of Employer Reporting, including enrollment, wage and contribution data. The Employer Reporting implementation is scheduled to begin October 2022.

Employers will be provided with a new portal that will enable them to upload an Enrollment file or key enrollment information through the portal regardless of whether they are considered a choice or non-choice agency. Employers will also be provided with functionality to upload a wage and contribution report or copy forward and modify wage and contribution information from a prior report. The current file formats for enrollment and wage and contribution reports will be changed. Once the finalized format is approved, it will be dispersed to all employers. We anticipate sending the new file formats for enrollment and wage and contribution reports by November 30, 2021.

NVPERS has developed a phased approach to move all employers off of CARSON and on to PERIS. The phased Employer Reporting approach will allow NVPERS to schedule employer training by geographical location over a period of several months and reduce the risk of issues associated with implementing employers all at once.

We have attached a spreadsheet to this memorandum showing all employers and the planned date of transition to the new system:

1. The Northern Nevada agencies, located in Reno, Carson City and surrounding areas will transition November 1, 2022, which includes October 2022 report due November 15, 2022
2. The Eastern Nevada agencies, located in Elko, Winnemucca, Ely and surrounding areas will transition December 1, 2022, which includes November 2022 report due December 15, 2022
3. Clark County School District will transition January 1, 2023, which includes December 2022 report due January 15, 2023
4. The Southern Nevada agencies, located in Las Vegas, Henderson and surrounding areas will transition March 1, 2023, which includes February 2023 report due March 15, 2023
5. The State of Nevada will transition May 1, 2023, which includes April 2023 report due May 15, 2023

Please review the attached spreadsheet to find your agency name and number and respond to NVPERS if you did not locate your agency name and number on the spreadsheet or if you think you will have difficulty being ready for the transition date that is provided for your agency on the spreadsheet.

The success of PERIS depends on the success of our employer stakeholders. We realize that this is a large undertaking and are committed to providing employers all the assistance they need to make the transition as smooth as possible.

If you have any questions or comments, please contact Walter Zeron at wzeron@nvpers.org or Alicia Albertson at aalbertson@nvpers.org
